SUMMARY

Dynamic software developer with proficiency in the MERN stack and a strong ability to learn and adapt to new challenges. Dedicated to delivering high-quality software solutions and expanding knowledge in programming languages and frameworks, with a focus on user experience and application security.

WORK EXPERIENCE

Full Stack Web Developer Internships, ManasIO Inc. — OnSite Mar 2024 - April 2024

- Completed a Two-month internship at ManasIO Inc, where I was trained in JavaScript and developed a solid understanding of web development methodology.
- Worked on a project utilizing MongoDB, mongoose, Express, React, Node, Next.Postman
- Built RESTAPI calls, enhancing understanding of REST APIs through hands-on experience.

PROJECTS

MERN Stack Threads Social Media Clone Web Application Nov'23 - Jan'24 [Project GitHub](#)

- Developed a **MERN stack** web app with **real-time updates** via **Socket.io** for instant messaging. Integrated **Cloudinary** for secure **image uploads**, ensuring efficient database management.
- Implemented **JWT** authentication, user functionalities (**signup, login, logout, profile updates**), interactive features, and deployed on **Render** platform for user accessibility.
- Developed feature-rich app with **React.js**, Recoil, MongoDB, Express.js, Socket.io, JWT, Cloudinary, and more.

MERN Real-time Chat Application using socket.io Jan'24 - Feb'24 [Project GitHub](#)

- Developed **MERN-based chat app** with **Socket.io** for real-time messaging, **JWT** for authentication, and **bcrypt.js** for password hashing, ensuring robust security.
- Integrated **Zustand** for state management, deployed on **Render** for accessibility.
- Built React app with Zustand, Tailwind CSS, Daisy UI, MongoDB, JWT, bcrypt.js, Node.js, Express.js.

MERN Stack GitHub-like App using passport.js Feb'24 - Feb'24 [Project GitHub](#)

- Built a **GitHub-like** app with **MERN stack**: React.js, Tailwind CSS, Express.js, Node.js, MongoDB, **Passport.js** for authentication, and secure **GitHub API integration**.

EDUCATION

| | | |
|----------------|---|-------------------|
| 2022 - present | Bachelor's of Science in Information Technology - 2nd year | |
| | Nilamber Pitamber University | Ranchi |
| 2021 | Class 12th Jharkhand Academic Council[JAC] Tata College | Jamshedpur |
| 2019 | Class 10th Jharkhand Academic Council[JAC] D.A.V Public School | |

TECHNICAL SKILLS

| | |
|--------------------------------|---|
| Programming Language :- | JavaScript, Java, Python, SQL , C |
| Skills :- | Data Structures and Algorithms,Object-oriented programming,Database Management System |
| Development :- | MERN Stack, HTML, NextJs, ReactJs, NodeJs, ExpressJs, MongoDB |
| Other Technologies :- | Git/GitHub, VS Code, Postman, MS Excel |
| Certifications :- | Data Structures and Algorithms with Java online Course |
